

- Students below the minimum admission requirements and/or students who do not have ACT/SAT scores are placed in Preparatory Engineering (PREN_ME_PPRU) and must meet the Bridge Requirements to be admitted into the Pre-Professional Program (MEEN_PPRU).

PREPARATORY PROGRAM

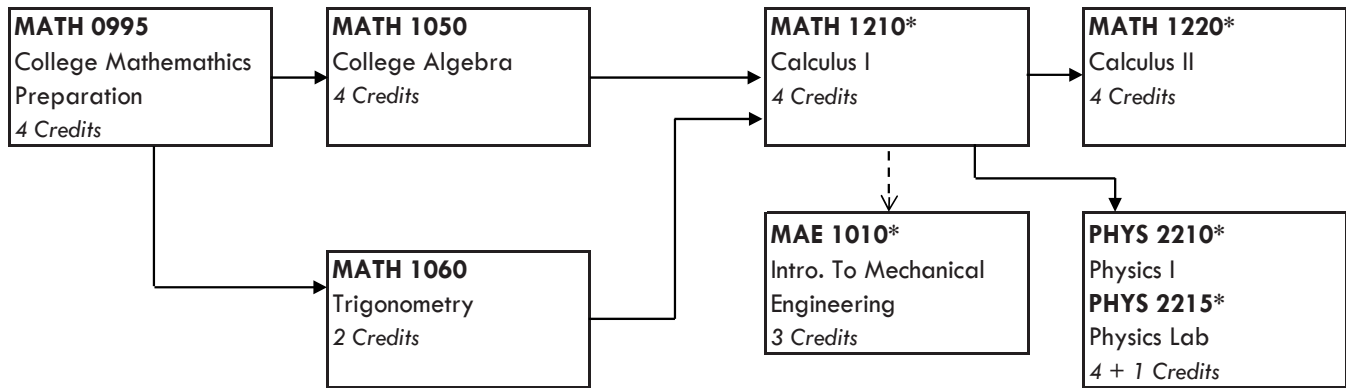

BRIDGE REQUIREMENTS

- Complete the Bridge Courses*
- No more than 2 total repeats for Bridge Courses
- Minimum 3.00 GPA in Bridge Courses
- Minimum grade of C- for Bridge Courses
- Must meet above requirements to take ENGR 2010

*BRIDGE COURSES

- CHEM 1210 & 1215
- MATH 1210
- MATH 1220
- PHYS 2210 & 2215
- MAE 1010
- MAE 1200

MATH 1210 PREREQUISITES

MATH 1210 Prerequisites may be fulfilled by the ALEKS Math Placement Exam, ACT/SAT score, or by taking Prerequisite courses. Meet with your advisor to choose the appropriate first-semester math course.

(MATH 1050 is coreq.)

CHEM 1210*
Chemistry I
CHEM 1215*
Chemistry Lab
4 + 1 Credits

(MATH 1060 is prereq.)

MAE 1200*
Engineering Graphics
2 Credits

→ Prerequisite

• **ACADEMIC YEAR**
• **2023-24**
