College of Engineering Welcomes New HR and Scholarship Personnel Specialist | College of Engineering

02/05/2019

Bennett's main responsibilities are to process scholarship awards for students, complete electronic personnel action forms for employees and complete travel documents for faculty and staff.

Bennett graduated from Utah State University in May 2017 with a bachelor's degree in Family Consumer Human Development with an emphasis in family finance. She has worked for the university for five years.

Bennett is from Huntington Beach, California. She and her husband enjoy traveling to Disneyland and go every year. She has a five-month-old son named Walter.
