

# Faculty and Student Awards 2021 | College of Engineering

**03/25/2021**

March 25, 2021 — We extend our congratulations to six faculty and 18 students for being recognized at a socially distanced awards ceremony Mar. 24. See the full list of awardees on our [Research and Teaching Awards](#) page and our [Engineers Week](#) page, and view photos from the events in our [photo gallery](#).

*Dr. Brian Crookston of the Department of Civil & Environmental Engineering was named Undergraduate Faculty Mentor of the Year. He was one of 24 awardees honored at the March 24 event.*
